**Be the best you can be by
living your best life not
living up everyone else's
expectations or bending
to peer pressure.**

The slide features a light blue background with three decorative corner elements. Each element is a triangular patch of geometric patterns, including concentric squares, zig-zags, and dotted textures, in shades of blue, green, and yellow. The top-left and top-right patches are oriented towards the top corners, while the bottom-left patch is oriented towards the bottom-left corner.

Discussion Points

- If you knew this when you were younger what might be different for you?
- How do you teach your kids to be strong?

I tell my kids to be proud coz
we come from a long line
of descendants that have
survived for over 60,000
years, including the past
220 years of colonisation!

The slide features a solid blue background. In the four corners, there are decorative geometric patterns. The top-left and bottom-left patterns consist of concentric squares in shades of blue, green, and yellow. The top-right pattern features concentric squares in blue and yellow, with a green textured area at the outer edge. The bottom-right pattern is partially visible and shows concentric squares in blue and yellow.

Discussion Points

- Tell a story about your mob that you would want your kids to know.

“

My granddaughter has experienced bullying and racism so I tell her to look in the mirror each morning and say “I am beautiful, I am strong and good things are coming my way!”

The slide features a light blue background with four decorative corner elements. Each element consists of a series of concentric squares or rectangles in shades of blue, green, and yellow, creating a pixelated or woven appearance. The top-left and bottom-left elements are partially cut off by the edges of the slide.

Discussion Points

- What are some of the things you tell your family if they are going through tough times?
- Tell a story, you are proud of, of a time when you have overcome adversity.

STRENGTH |

“

I tell my children and adults that when they swear or put down others they are putting a curse on that person and themselves so they need to stop and think about that.

The slide features a light blue background with decorative geometric patterns in the corners. These patterns consist of concentric squares and rectangles in shades of blue, green, and yellow, some with dotted or striped textures. The patterns are located in the top-left, top-right, and bottom-left corners.

Discussion Points

- What are some of the lessons you teach your children?
- What do you want your children's lives to be like in the future?

Everyone has a natural gift or talent....What's yours and how are you going to use it?

The slide features a light blue background with three decorative corner elements. Each element consists of a square divided into four quadrants with different patterns: concentric squares, a dotted texture, and a wavy texture. The colors used are blue, green, and yellow. The top-left and bottom-left elements are partially cut off by the edges of the slide.

Discussion Points

- What is your gift or talent?
- How would you help your child discover their talent?

STRENGTH |

**Strong male role models
are important for both
boys and girls when they
are growing up.**

The slide features a light blue background with decorative geometric patterns in the corners. These patterns consist of concentric squares and rectangles in shades of blue, green, and yellow, some with dotted or striped textures. The patterns are located in the top-left, top-right, and bottom-left corners.

Discussion Points

- Who are the strong male role models in your life and your children's lives?
- What do these strong men teach your children?
