

“

**Family is everything.**

# Discussion Points

- What does your family mean to you?

**FAMILY |**

“

**Connecting to family,  
culture and country is  
what makes us strong.**

# Discussion Points

- Where is your country? Tell a story of a special time you have spent on country.
- What do you want your children to know about their country?

**FAMILY |**

“

**We have many family trees  
that make up a forest!**

# Discussion Points

- Who are some of the people in your family?
- Do you have a story about a family member who was special to you growing up?

**FAMILY |**

“

**Knowing who you are.  
Where you're from.  
Who's your mob.  
This gives you a strong  
foundation and will  
determine where  
you're going.**

# Discussion Points

- What things do you do to connect to your family, country and culture?
- What do you want your children to know about their mob?

**FAMILY |**

“

**I come from a large family and my strongest memory is doing everything together. If it was a time of mourning or a time of celebration, we did everything together. I want my son to know his family and to have that same strong connection.**

# Discussion Points

- Tell a story of your family and a time you spent together.
- How do you help your children to know and connect to their family?

**FAMILY |**

“

**Everything I do for my children is to grow them, teach them and guide them.**

# Discussion Points

- What things do you do to guide your children?
- What are the things you teach them about?

**FAMILY |**
