**Be the best you can be by
living your best life not
living up everyone else's
expectations or bending
to peer pressure.**

The slide features a light blue background with decorative geometric patterns in the corners. These patterns consist of concentric squares and rectangles in shades of blue, green, and yellow, resembling a stylized quilt or woven fabric. The patterns are located in the top-left, top-right, and bottom-left corners.

Discussion Points

- If you knew this when you were younger what might be different for you?
- How do you teach your kids to be strong?

My granddaughter has experienced bullying and racism so I tell her to look in the mirror each morning and say “I am beautiful, I am strong and good things are coming my way!”

The page features decorative geometric patterns in the corners, consisting of concentric squares and rectangles in shades of blue, green, and yellow. The background is a solid light blue color.

Discussion Points

- What are some of the things you tell your family if they are going through tough times?
- Tell a story, you are proud of, of a time when you have overcome adversity.

STRENGTH |

“

I tell my children and adults that when they swear or put down others they are putting a curse on that person and themselves so they need to stop and think about that.

The background is a solid light blue color. In the four corners, there are decorative geometric patterns. These patterns consist of concentric squares and rectangles in shades of blue, green, and yellow, with some areas having a dotted or textured appearance. The patterns are partially cut off by the edges of the slide.

Discussion Points

- What are some of the lessons you teach your children?
- What do you want your children's lives to be like in the future?

**Strong male role models
are important for both
boys and girls when they
are growing up.**

The background is a solid light blue. In the four corners, there are decorative geometric patterns. The top-left and bottom-left corners feature a series of concentric squares in shades of blue, green, and yellow. The top-right and bottom-right corners feature a series of concentric squares in shades of blue, yellow, and green. The patterns are stylized and resemble traditional geometric art.

Discussion Points

- Who are the strong male role models in your life and your children's lives?
- What do these strong men teach your children?
